### Dear Parents/Carers,

The end of term is nigh, but as you can see, we still have plenty to squeeze in before we break up!

The children will spend two days with their new teachers and TAs next week as part of their transition into a new class in September. Like a number of schools in the Redcar and Cleveland area, the number of children on our roll has decreased, and as a result, we will have fewer classes next year—one Reception class instead of two, and two classes across Years 3 and 4, instead of the three we have now. This has meant that some mixing of our current classes has been necessary, across the whole school. We appreciate that this may sound concerning, but we have grouped the children extremely thoughtfully and feel confident that they have the resilience to cope if there is a change for them next year. We will of course support all the of the children with their transition to ensure that they can be happy and successful as they move to their new class!

**Reception Class Welcome Meeting**—Huge thanks to our morning Nursery parents and children who came in for our Reception Welcome Meeting this week—the children seemed immediately at home in their new areas and I am sure they are looking forward to their transition days next week and then starting in September! Thanks also to Miss Hill and Miss Schofield for hosting the meeting, ensuring everybody felt so at ease, and providing the cakes and biscuits!

**Highcliffe University Awards Evening**—We are looking forward to welcoming more parents and children back into school on Monday from 4.30pm, for our Highcliffe University Awards! Please see further details in the letter that has been sent out.
