Dear Parents/Carers,

Happy Friday, everybody! We have really enjoyed our first full week back. I'm sure we will all enjoy a break as well this weekend—there have certainly been some tired faces around school today!

We have a lot to look forward to this term, as we continue to pick up where we left off!

We are of course mindful that the pandemic hasn't gone anywhere and **would still urge you to look out for symptoms and let us know if your child tests positive or if they are identified as a close contact, please.**

Close Contacts—Our guidance states that, whilst those who are positive must still isolate, their close contacts will not be informed if they are under eighteen. We have made the decision from next week to inform you if there is a positive case in your child's class. As explained, they won't have to isolate, but you may want to take precautions if necessary, including testing if you feel this is appropriate.

Photo Consent—Please check ParentPay for our photo consent form and complete as soon as possible so that we can update our records. Many thanks.

Lunch Choices—Thank you for returning the lunch menus to ensure the children will get their first choice. I know that a small group of children have wanted to choose something else once at the hatch, however we have been encouraging them to try the choices that have been sent to us. If your child won't eat what is on offer, we will provide an alternative where possible, but I have asked our cook to let me know when this happens so that we can let you know.

You are more than welcome to change your child's options by contacting the office. The lists will be amended for the following week. Thank you.

Snacks- A reminder that snacks for break should be fruit or vegetables please and not cereal bars, crisps, chocolate or biscuits etc. We are a nut free school as well, so please do not send anything in for break or lunch that contains them. Thank you. Please ensure that the children bring a water bottle in each day as well (**no juice please**). Children on packed lunches may bring juice separately to eat with their food.
