Dear Parents/Carers,

Welcome back to a brand new term at Highcliffe! It has certainly been a Happy New Year so far—the children have come back to school really positively and I have been hugely impressed with how settled they have been. I have no doubt this will continue for the rest of 2018! They have been sharing their New year’s resolutions, and as a whole school we have been talking about resilience. We have discussed how we can build our own and/or help others to build theirs. This will be a continuous theme this term and I am looking forward to seeing the impact of the children’s hard work towards reaching and maintaining one of our goals—that **all** of our children can demonstrate **resilience** and **respect**. Our Year 3 children enjoyed their visit from a tennis coach, from Guisborough Tennis Club, yesterday and are excited about further sessions taking place over the next few weeks. As usual, their behaviour was excellent and their effort was super. We will have new after school clubs starting this half term, so please look out for further information. Thank you to those of you who have activated your **ParentPay** account. This will make paying for lunches and trips etc. far more convenient and will improve payment communication. Please contact the office if you have any questions and Miss Carney will be more than happy to help. Have a great weekend!

Nicky King (Head teacher)

KS2 Morning Routine

From Monday, KS2 children will not be lining up before they come into school. At **8.45am**, the doors will be opened, and at the first whistle, the children will stand still. On a second whistle, they will walk straight into school using their year group’s doors. We have removed the green fencing to speed up this process. Teachers will still be available to catch if you need to share any information. The children will then be settled, ready to start the day, at 8.50am.

Earrings

To keep our children safe, earrings must be removed on PE days. If they can’t be taken out, please provide plasters, as the office are unable to do so.

Vaping

Please can I remind you that vaping is not permitted on school grounds. Thank you in advance for respecting our policy.
