### Dear Parents/Carers,

It has been wonderful to have busy classrooms and full playgrounds again this week! We are so pleased to have everybody back in school and delighted by our excellent attendance so far. The children have settled back into our routines and have been sticking to the rules to keep everybody safe. They understand that if everybody can continue to do this, in and out of school, for a bit longer, all current restrictions can be lifted as planned over the next few months.

**Drop offs and Pick Ups**—I would like to thank you all for respecting our requests to wear masks and keep distanced on our site. I understand fully that I have no say on what happens beyond our gates, but know how much your consideration for vulnerable or worried members of our community is appreciated. Keeping masks on and a safe distance until you're away from the narrow, often congested, paths will make it feel safer for them—as will not stopping to have conversations in front of the school. Thank you for your continued understanding and for thinking of others.

**Parking**—I know it is really difficult to park around school and I wish we had more space to make drop offs and pick ups more convenient. Thank you to the vast majority of you who do park considerately (by not blocking driveways or parking on private property) and are respectful to local residents.

**Reminder: Confirmed Cases**—Please inform school, via pupilinfo@highcliffe.rac.sch.uk, if your child tests positive for COVID, even if this is over a weekend. A reminder also that you can access twice weekly lateral flow tests to reduce the risk of transmission in school (see attached letter).

**Symptoms**—If your child has a high temp., a change to their taste and/or smell or a new continuous cough, please do not send them to school. They will need to isolate, along with everyone else in your household, and get tested please.

**Comic Relief Funny Run**—We are really looking forward to next week's sponsored Funny Run for Comic Relief! The children can wear sportswear (red if possible but this is optional) to school on Friday 19th March. If you would like to sponsor them, please use this link:

<https://app.parentpay.com/ParentPayShop/Foc/Default.aspx?shopid=2898> Thank you.

**Egg Decorating Competition**—For this year's theme—'Eggspress Yourself'—the children can design and make whatever they like! We hope they will enjoy being creative. Please see the dates for the designated days for each class. There will be prizes for the best entry from each year group.

**Odd Socks Day**—We will be celebrating World Down Syndrome Day on **Monday 22nd March** (as this year it falls on Sunday 21st), and raising awareness by wearing odd socks to school. They can be different colours, lengths or patterns. Thank you.

**Chocolate Raffle**—Thank you in advance for any chocolate donations you can send in for our Easter raffle!
