Dear Parents/Carers,

**Horrible weather plan**—Apologies for any confusion this morning! I was trying to prevent families from having to stand in the horrible wind and rain. If this happens again, all children arriving before the school opens will be invited into the KS2 hall.

Those arriving once all the doors are open can enter school through their usual route. Thank you for your understanding!

**Sports Premium** - You may be aware already that all schools receive funding to develop or add to the PE and sport activities that a school already offers, and build capacity and capability within a school, to ensure that improvements made will benefit pupils joining the school in future years. We are incredibly lucky to have Mr Swales as our Sports Premium Champion, who is working tirelessly to fulfill this remit. A secondary school PE leader, in his former life, Mr Swales is using his expertise to train members of staff across the school. This professional development will ensure sustainability and guarantee that the children receive high quality provision. The life skills that the children are learning are invaluable, and contribute massively to the broad and balanced curriculum that we are continuing to develop at Highcliffe. As well as enjoying the obvious physical benefits, the children are continuing to learn how to be part of a team, as well as the importance of taking part. We believe in sport for all and feel so proud of how well the children are embracing this. Our school motto and 3Rs are embedded into every aspect of the PE curriculum and I am really excited to watch the further development of what we can offer as the year progresses.

**Lion and Mouse Class' Skinningrove Mining Museum Trip** — The children had a fantastic time on their trip and enjoyed a wide range of activities (see our Instagram posts!). The Y3/4 team reported that the behaviour was outstanding. Always a pleasure to hear! Thank you to the children, for showing such **respect**, and to the Y3/4 staff who planned and ran the trip.

**Edinburgh trip**—Wishing the Y6 children from our Panther and Wolf classes a wonderful time away in Edinburgh next week. What an experience it will be! Have fun, learn lots and please let the staff accompanying you get some sleep!

Nicky King (head teacher)

**Book Fair**—Thank you to Mrs Neasham, Mrs Appleby, Mrs Nash, Mrs Bell, Mrs Atkinson Mrs Burford and the Y6 volunteers for running the book fair, and to our families for supporting it! We raised a target-breaking £473.36, leaving us with £217.02 to spend!

### **Follow us on Instagram! (Highcliffe Primary)**

Mr Swales has been desperate to get back on to social media to showcase the sports provision at the school! Follow us and you'll see his posts, as well as those from the Y3/4 museum trip yesterday, as well as many others from the last few days at school! There will be further, regular posts of the children enjoying a range of activities and trips (including Edinburgh next week). We will also post notices and reminders about what we are up to. Comments are disabled, to ensure that we can safeguard the children, **so please direct any general enquiries via the office, either by phone call or email (see above). Thanks.**

### **EYFS Harvest Festival**

There were many highlights of my week, but this was definitely up there with the best of them!

The children from Nursery and Reception were amazing! I could not have prouder. I hope those of you who could attend enjoyed it as much as we did. Thank you so much for coming along! And many thanks to Rev's Marian for her involvement.

We now have even higher hopes for their Christmas play!  
They were all absolute stars.

Not only did they impress us with their beautiful performances, they produced the wonderful artwork that filled the hall. I never want to take it down! A huge thank you to Miss Hill and the EYFS team, and to all those who sent in donations for our collection.

### **Bring Your Parent To School Party!**
