Dear Families,

Well done to the Year 6 children. They have been a real credit to you all this week. Next week it is the turn of our fantastic Year 2 children. The Year 2 children will be accessing the tests in small groups with their class teacher. Whilst this is happening the rest of the KS1 team and children will be taking part in a Science themed week. There are lots of interesting and exciting activities planned. Can you please ensure that all KS1 children have their PE kit with them for the whole week.

Miss Krywiczani

KEY DATES

KS1 SATS - WC 15th and 22nd May
Friday 26th May—Mrs King visiting school
Monday 19th June—sponsored sports event—details to follow
Tuesday 20th June—Year 1—6 Sports Day and family BBQ
Wednesday 21st June— EYFS Sports Day
Year One Phonic Screening - WB 12th June
Please see our website and Twitter feed for event updates.

Tuesday was National Appreciate Your Teacher day. We don't need an official day for this but all the teachers at Highcliffe wanted to send a massive thank you to children and parents for making us feel appreciated daily. Individual things commented on by staff this week are that children have been: thanking teachers for helping them correct their work; holding doors open; asking politely for help with work and behaviour; displaying moral values we try hard to instil in them e.g. older children supporting younger children in the playground and really importantly we feel appreciated every day when we collect our classes and are met by such a warm welcome and sea of smiling faces.

SPORT UPDATE

Congratulations to the Year 3 Tennis team for coming 3rd at the competition last week. Only one point behind 2nd place too!

They were a credit to school and showed real sporting values throughout.

The Year 5/6 cricket team is looking good. There are still places free if your child is interested in joining.

PLAYGROUND

Can I please remind parents that when you come into school on a morning and at the end of the school day that your children should be supervised by yourselves. Once on the school grounds the school rules do apply and I would really appreciate your support and help with behaviour at this time so that the children are settled when they come into school and ready to get straight on with their learning.

E—CIGARETTES

School is a no smoking site. Can you also please refrain from smoking e-cigarettes on the school grounds.

BIKES

As you know, we encourage the children to lead healthy and active lifestyles. If your child is choosing to ride a bike to school we do expect them to do so in a helmet and not ride bikes on the school grounds or on the path alongside school.
