Dear Parents/Carers,

As I have mentioned recently, we are looking forward to creating a wellbeing outdoor area during our focus week on mental health and wellbeing soon (the week after next).

We would like to use some of this space for a special arrangement of stones/pebbles decorated by the children. We have been inspired by our Reception children who decorated pebbles earlier in the year!

We would really appreciate it if all the children could bring in a pebble big enough to decorate by

Wednesday 26th May, please.

Many thanks in advance!

PE Day Swap—Next week, Mrs Nash's/Miss Dann's Y5 class will be swapping PE days with Mrs Walker's/Mrs Whitwell's Y3 class. Please can the children wear their kits on their new day, please. Thank you.

Healthy Snacks—A reminder that children should not be bringing sweets into school as a snack or as part of their packed lunch. They may bring crisps in their lunch boxes/bags, but not as a snack, please. We would encourage them to bring fruit or vegetables instead (healthy snacks are provided for EYFS and KS1 children). All children should also bring a water bottle in each day please. Thank you.

Reminder: Confirmed Cases—Please inform school via pupilinfo@highcliffe.rac.sch.uk if your child tests positive for COVID, **even if this is over a weekend**. Please do not send your child to school if they have a temperature, cough or a change to/loss of taste or smell. If these symptoms present themselves whilst the children are in school, we will need to send them home to isolate with the rest of their family and get tested. A reminder that everybody older than primary school age can access twice weekly lateral flow tests to reduce the risk of transmission in schools.

COVID Risk Assessments

As you will be aware, further restrictions will be easing next week. Inline with the guidance still in place for primary schools, we will not be making any changes to our current risk assessments until instructed otherwise — the existing safety measures will remain for children and staff and for all parents and visitors on site. Thank you once again for respecting our protocols. We have appreciated your continued support so much.

We are very proud to announce this week's pupils of the week. Well done everyone!
