Dear Parents/Carers,

After last week's disastrous attendance, due to our confirmed Norovirus outbreak, and the ongoing disruption over the last couple of years, we will be focusing heavily on attendance for the remaining weeks of this half term, so that we can re-establish good habits as we move into a new year in September. Please ensure your child attends school every day, **unless there is a valid reason for them not to.**

The attendance diagram included shows the hugely negative impact poor attendance can have. Thank you.

RHE Day—On Thursday 30th June, the NSPCC PANTS materials will be shared with all of our children at an age appropriate level. Please see the attached lesson plan for further information. Our Y5s will cover puberty, and Y6s will cover puberty and sex education that day as well—further information to follow soon.

Attendance Ladder

How close are you to reaching to the top?

Social Media -We speak to the older children regularly about upholding our values and being **kind** online, and hope that everybody within our community can set the right example for them to follow. Please contact us if you have concerns relating to school, rather than post negative comments publicly. We don't always get it right, but will always try to resolve issues raised with us.
Nobody should to be shamed on social media, especially when there is an alternative way to share any grievances.

Have a lovely weekend—from all at Highcliffe!
