Dear Parents/Carers,

Huge thanks to those of you who have responded to our RHE survey. A reminder that our consultation period ends on Monday if you would still like to share your views. Many thanks.
Diabetes Awareness Week—Thank you to everybody who wore something red and/or orange today to raise awareness for diabetes! It is so important to us that all the children and staff in our school community feel represented, and the support shown by everyone today has been brilliant.

Maths Rockstars Day—We have postponed this until the autumn term so that we can keep the momentum of regular timetables and number facts practice going after this event. We have decided that such a long summer break might lessen its desired impact. We will still be encouraging the children to practise though, from now until then!

Confirmed cases—Please inform school via pupilinfo@highcliffe.rac.sch.uk if your child tests positive.

Please do not send them in if they have symptoms—a **temperature, cough or change in taste/smell**.
A reminder that everybody older than primary school age can access twice weekly lateral flow tests to reduce the risk of transmission in schools.

Sports Day—Friday 2nd July

We have made the very difficult decision to restrict Sports Day to our children and staff only* this year. I know this will be disappointing for many of you but we will make up for it next year.

We will not be asking the children to wear house colours as we usually do—they will just need their normal PE kits. They will compete in four whole school teams within their bubbles and the scores from each class will be added to find the overall winners.

*We are hoping to invite our Year 6 parents to a special sporting afternoon closer to the end of term, as this will be the children's last at Highcliffe. More information will follow about this soon, along with details of the other leavers' events we have planned.
