Dear Parents/Carers,

We have had another successful week at Highcliffe, finishing with a slightly different route into school! Thank you for your understanding and support this morning, keeping the children safe, and as dry as possible given the circumstances! Well done to the children who came in so sensibly and showed such **resilience**, when faced with a change to their routine. Please see below the notice on future communication regarding similar conditions. We will be exploring how we might use other forms of social media to maintain effective communication over the next few weeks - thank you for your comments and suggestions at the gates on this matter. I will update on the outcome of these discussions soon. Apologies to any of you who have stepped in dog dirt on the paths around school, recently. I am going to ask some of the children to design posters that we can display on the fences to remind people to scoop! If you do notice any, please let us know so that we can clear it and minimise the number of people stepping in it, as well as the chance of any being trailed into school. Thank you for your continued support. Have a great weekend!

Nicky King (Head teacher)

**Hazardous Weather/School Closure**

If the decision is made to close the school before the children arrive, during the school day, or to redirect children via a different route into school, like we did this morning, we will tweet this information. Please follow us (@HighcliffePri), if you do not already! If you are not on Twitter, our tweets are displayed on the Highcliffe website ([www.highcliffeprimary.org](http://www.highcliffeprimary.org)). Just click on:
