Dear Parents/Carers,

We welcomed our Y6 children back from their trip to Scotland last night—judging by the Instagram posts from staff, they had an absolute blast! The behaviour sounded fab as well! Thank you so much to Mr Parnaby for organising and leading such a successful trip, and to Mr H, Mrs Atkinson, Miss Wright and Miss McQuillan for their support throughout!

**Faith Week**—We have lots of exciting events planned for this special week, starting from Monday, with many classes visiting different places of worship. The classes not on trips will be welcoming visitors into school. As well as allowing the children to learn new and exciting facts about all religions, each activity has been planned to teach tolerance of and respect for all faiths.

**At Highcliffe, we believe that we are all equal, regardless of race, religion or colour, and that we should show kindness to everybody—not because we might get into trouble if we don't, but because it is the right thing to do!** We also feel that by showing this kindness, we can be a part of creating a world that is one day free from discrimination. Thank you to the families who are so supportive of this ethos, and of the rights the children have to learn about other cultures and beliefs. It is very much appreciated!

**London Marathon**—Mrs Lumley has secured a place in next year's London Marathon! She is running for the Sense charity. See more details here: <https://www.sense.org.uk/>. She will be raising money through a series of events between now and the big day. Please visit her page if you would like to donate to her cause: <http://uk.virginmoneygiving.com/KarenLumley3>.

**Halloween discos**—We are looking forward to welcoming many of our children to the Highcliffe Friends' Halloween discos next Wednesday! Once again, the children understand that attending is a privilege, and not an automatic right. I am hopeful that all those who want to be there will continue to demonstrate that they deserve to be. I can't wait to see the costumes!

**Thank you Morrisons!**—Massive thanks to the store for donating 20 pumpkins, and lots of crates for outside use, to our EYFS! Nicky King (head teacher)

**ParentPay** - Thanks again to the 91% of you who are now using ParentPay! We intend to become cash free by the new year and will be sending notification that cash will no longer be accepted closer to that time. If any of our families would still prefer to use cash, we can provide you with a PayPoint card so that you can pay cash on to it at any shops with a PayPoint facility. Thank you.

#### **Instagram Account - Highcliffe Primary**

Follow us for regular updates of what the children have been up to! Thank you to those of you who have already—and a very warm welcome! Thank you for the 'likes' and your continued support.

**A reminder that the account is open to the public.** We made the decision not to make it private so that prospective families, as well as our existing community members, would be able to see our updates (comments will always be switched off). Please do not hesitate to contact me if you would like to discuss this further. For those not on Instagram, we will be including a feed on the website soon so that everybody can see our posts.

#### **Challenge 21 - Raising Down Syndrome Awareness**

Thank you so much to the children (and families) for being involved with our Challenge 21 activities over the last few weeks. We have certainly raised Down Syndrome awareness across the school, and we have even had a mention on the Down Syndrome Association Instagram page, after our hash tag, #Challenge21, caught their attention! Take a look at their Day 17 post! Our 21 days of kindness have been enhanced by the posters that the THRIVE team have displayed all around the school. They make me smile every time I walk past them, as does reading the post-its that children have left in our bucket of kindness. It has been great to focus on our acts of kindness for the challenge, however, fear not—we will never stop talking about being kind! Speaking of which, we are so grateful to Mr Wistow for coming in to take part in our final 21 days of fitness session! As you may know, his son Harry, who has downs, is in our Reception; we count ourselves incredibly lucky that his parents chose Highcliffe as the school for him. Enjoy the last two days! #challenge21
