Dear Families,
The Year 2 children have worked so hard this week on their SATs. Both parents and children should be very proud of the effort and determination that is being put into them. I am sure this will continue next week.
Miss Krywicznanin

Wednesday 21st June—EYFS Sports Day
WB 26th June—Summer Reports
Monday 3rd July—Early Transition
Friday 7th July KS2 SATs results to parents
WB 17th July—Welcome Meetings and Enterprise Gallery

UNIFORM
Mrs Barthram will be in Priory Hall on Tuesday 27th June and Thursday 29th June from 3:30pm-4:30pm with a selection of school uniform from our new supplier 'Lollipops'. This will give you a chance to come along and try the sizes out ready for ordering any uniform in preparation for early transition or returning to school in September.

BIKES
 Thank you for your support with this matter as there has been an improvement. I am still worried about the number of children who ride to school without helmets. We strongly advise that children wear helmets for their own safety.

SPORT UPDATE
Good luck to the Year 5 Athletics Team who will be representing Highcliffe next Thursday at the Guisborough Cluster competition.
FOOTBALL AND FOOD UPDATE
After half term we will be restarting an open to all sports club to replace Football and Food before school. Details to follow, once confirmed.

EARLY TRANSITION
Children will find out who their new class teacher is in their summer term report. Transition to new classes will be from Monday 3rd July. Welcome meetings will take place in the final term. 'Indian Summer' is the theme for the whole school transition project this year. It will conclude with a gallery of the children's artwork for you to come in to see and buy at the Enterprise Gallery in the final week of term, which we plan to coincide with welcome meetings.

PLAYGROUND
Thank you for your support with behaviour on the playground before and after school. We are however still seeing some children putting themselves at risk at these times. Can I once again reiterate that children should stay with you before school and once they are collected. They should not be on the school field or in the outdoor classroom unattended.
