Dear Parents/Carers,

Thank you for your continued support over the last seven weeks—it has been the most normal half term we have had in so long and I am incredibly proud of our whole community for working together to support our children. They have been so resilient but are definitely ready for a holiday! We will look forward to seeing them back, fully recharged, in June!

Our whole staff have also been amazing and I hope they can all enjoy a well-deserved break next week—thank you all so much for your continued hard work and dedication to Highcliffe!

Film Night Huge thanks to Highcliffe Friends for organising last night's film night. It was such a lovely way to end the term. Thanks also to the children for being such a pleasure throughout, and to you for supporting the event.

School Lunches—After half term, our Reception children on school lunches will no longer be having the school lunch bags. They will be served at the lunch hatch and use trays and cutlery so that they can practise this routine ready for next year. The other year groups will remain as they are for now, but we will keep you informed and hope to be able to make further changes as the half term progresses.

Confirmed cases over half term—Please inform school via pupilinfo@highcliffe.rac.sch.uk if your child tests positive for COVID over half term. Thank you. A reminder that everybody older than primary school age can access twice weekly lateral flow tests to reduce the risk of transmission in schools.

Online Safety -Over the past year, with home learning, keeping in touch virtually with friends and family, and spending more time gaming and streaming and on social media, screen time has increased massively for many of our children. New games and apps are appearing constantly and many of them have chat functions. We talked about these recently during our KS2 assemblies and were so impressed by the children's understanding of how to keep themselves safe. Please find attached useful flyers on how to change settings on your child's devices to ensure their time online is as safe as possible, as well as some information on online grooming. If you require any additional support, please do not hesitate to contact us.

FSM Vouchers—If your child is entitled to free school meals, you will have received an evoucher from Wonde to be spent in your chosen supermarket.
