Dear Parents/Carers,

A huge well done to everybody on another week down. You are all doing such a brilliant job, in such difficult circumstances! To our children—I know how hard it is at the moment, having to get used to learning from home again, or coming into school without all of your friends, but I also know how **resilient** you are! Keep going and be kind to yourselves. Make sure you ask staff for help and they will do everything they can to help. If the work gets frustrating, please don't worry. Take a breath, do what you can and believe in yourselves.

To those of you supporting the home learning—thank you so much! None of you signed up for this and we know how exhausting it must feel sometimes trying to juggle everything. There are not enough hours in the day to do everything that is expected of many of you at the moment and we absolutely recognise and respect that. Please let us know if there is anything we can do to support you and your children.

TEAMS—We will continue to adapt the way we use TEAMS to make it as easy to use as possible and to ensure maximum engagement.

*Please don't worry if you are not in a position to share work until after school hours—ignore the 'late' rating from Assignments in this instance!

*Staff responses to questions/comments will finish at 3.30pm

*Staff responses to work will finish at 4.30pm

*Responses to all work will be made within 48 hours

*Please email pupilinfo@highcliffe.rac.sch.uk to share concerns or arrange a discussion with staff.
