SCHOOL ALL WEEK

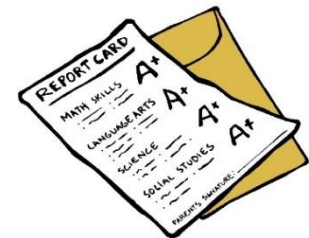

SPRING TERM

This Term

Happy New Year! This term in English we are basing some of our writing around the Katie Morag stories by Mairi Hedderwick. The children will be writing character descriptions, stories, letters, recounts and instructions based as much as possible on first hand experiences. In Science we will be learning about plant and animal lifecycles. In History we will be completing our topic about the Great Fire of London. In Geography we will be finding out about the Isle of Coll - the inspiration for the setting of the Katie Morag stories. We will be comparing the island to our own locality. In R.E. we will be looking at why Moses is important to Jews and how Christians celebrate Easter.

We will be holding parent consultations during the week beginning 12th March 2018. However, if you have any questions or queries before then please pop into school and speak to a member of staff.

Homework

In addition to reading books, which the children should be bringing home every night to read with you, and spellings which will also be sent home to practise daily, we will again be sending home 'Takeaway' homework. It will once again include some short, medium and long tasks that will support and reflect the work we will be doing in school. Children are expected to

complete 6 pieces of homework before the end of the spring term. Year 2 children will also be bringing home a piece of English or Maths homework every Friday to be completed and returned to school by the following **Wednesday**.

How you can help

We ask that you support your child with their homework, daily reading and their weekly spellings. In addition to this please ensure that your child comes to school every day with a water bottle. Please also ensure that **all** uniform and P.E. kit is named.

Thank you for your support and cooperation.
