

Nursery Rhymes

EYFS have carefully prepared a nursery rhyme spine, so that the children, throughout their journey, have the opportunity to listen to and learn a range of nursery rhymes.

Nursery rhymes are a core part of our curriculum within the Foundation Stage. Nursery will focus on these basic nursery rhymes, some of which will be **repeated in Reception** to ensure they develop language and those early literacy skills. In Nursery in particular, the nursery rhymes will be supported by props to help support and embed language development. These rhymes will always be shared with parents and the importance highlighted.
