Dear Parents/Carers,

It has been very quiet in school this week without our Year 6 children! I hope they have all enjoyed their transition time, and have no doubt they will be even more excited for September and all the new experiences and friendships ahead! The children here were super during their transition days, and I hope they can go off and enjoy their summer break, feeling confident about returning to their new classes. Huge thanks to our staff for ensuring everything ran so smoothly for the children!

Work Experience Students/DOE: It has been lovely hosting a group of LJS students this week. I hope they have enjoyed their time with us and would like to thank them for their contributions, as well as the members of staff who welcomed them into their classes, and Mrs Pearson who coordinated all the placements.

Nursery Sports Day: It was wonderful seeing so many parents yesterday! The children did so well and loved having you there. Huge thanks to Miss Hill, Miss Shutt, Mrs Beedle and Mrs Pearson for preparing them so well, and to them, Miss Schofield, Miss Rielly, Elizabeth and William for supporting the events!

Wrap Around Provision: You will have seen that, from September, we will be providing before and after school care onsite. Please see ParentPay for more details. We are running a 'name the setting competition', and will announce the winning suggestion next week!

School Clubs—All our clubs have finished for the year now, but we will look forward to sharing our new list with you in the autumn term!

I would like to say a huge thank you to each member of staff who has run a club (or multiple clubs!) over the past year – it has been appreciated very much!

Attendance: To ensure your child makes good progress at school, it is extremely important that they attend school each day, on time. Thank you.

This week's star attenders are Y3WW Class!
Well done on your 99%!

Reminder: increase In Cost of School Lunch: From September, the cost of a school lunch will rise to £2.40.
Safeguarding at Highcliffe: From the National Online Safety Website: *'The summer holidays are almost here! That means no school for over a month, more sunny weather to enjoy and extra chances to have fun online. Lazy mornings on Minecraft. Bonus time on TikTok. Days watching Disney Plus. Whatever your child enjoys doing online, our #WakeUpWednesday guide has some top tips for helping them to stay safe in the digital world this summer! In the guide, you'll find tips such as reporting bad behaviour online, making time for other hobbies and not giving out personal information.'* Please see attached poster for more details, and visit the website (<https://nationalonlinesafety.com/>) for lots of free resources to support keeping your children safe online. Thank you.
