To ensure your child makes good progress at school, it is extremely important that they attend school each day, unless they are unwell.

This week's star attenders are Mrs Pattinson's Curlew Class. Well done on 96.5%!

Safeguarding at Highcliffe: It is never too early to talk to the children about how to keep themselves safe—especially online. We would like to build digital resilience, as we know they will unfortunately encounter negativity and potential risky situations, so we want them to have the skills to deal with this. Conversations at home support the work we do in school, and vice versa. Please see the attached flyer for more information. Thank you.

We are very proud to announce this week's **pupils of the week**. Well done everyone!
