Dear Parents/Carers,

It has been a very quiet week without our Year 6 children! We have missed them and hope they have all enjoyed transition time in their new schools. We look forward to welcoming them back for their final week with us on Monday! We are so proud of the resilience shown by the other children as well this week, during two days in their new classes. We have had to mix some of them up in KS2 next year and appreciate fully that a number of children will be feeling a little uncertain about this change.

This is understandable and we will do everything possible to help them adjust and settle. This will obviously apply for our new Reception children as well—it was wonderful to welcome so many of you for lunch and to our welcome meeting after school. Huge thanks to Miss Hill and Miss Schofield for hosting! **Goodbye and good luck Lucy!** We were so sorry to see Lucy go last week. We are missing her already and hope she loves her new school when she starts!

Sports Day Outcome—Congratulations again to Red Team!

We responded to feedback from parents last year and changed the format slightly so that the children were not having to sit waiting for the running races at the end. Our older children competed in these events the day before instead, and their scores were carried forward to our whole school event last Friday. We are now looking forward to our postponed **Nursery Sports Day**, taking place on Wednesday!

Merit Awards: If you have received an email this week and can attend, we will look forward to seeing you on Wednesday for our Merit Assembly!

Eco-Schools Award: Congratulations to our Eco-Team who have secured an Eco-Schools Award for the second year running! Thank you to Mrs Whitwell, her team and the rest of school for their hard work—we love our new plaque!

Highcliffe University Awards Evening: We celebrated the children who have been completing their Highcliffe University passports yesterday—well done to all involved—we are so proud of you! It was such a lovely occasion, thanks to Mrs Woodhouse and Miss Schofield and their hard work. Huge thanks to them and to those of you who attended!

We are very proud to announce this week's

Highcliffe Notices and Reminders:

Highcliffe Friends' Summer Discos: Huge thanks to Mrs Kast and Mrs Lumley for all their hard work preparing for and running our Summer Discos this week! Thanks also to the staff who stayed to support, and to all the children for behaving so well—as usual!

Leavers' Assembly—Thursday 18th July:

We are looking forward to the Y6 production - Shakespeare Rocks - next week! The children will be performing a dress rehearsal for the whole school on Thursday morning and then for families from 6pm. Please confirm via ParentPay if you would like to attend, stating the number of people coming. Thank you.

Y6 Sleepover:

Please see the letter and kit list information sent out today for next week's sleepover, taking place after the Leavers' Performance. Children can be collected later in the evening if they do not want to sleep over.

Summer Activity Days at Highcliffe: Please see the flyer on the first page, those attached, and the one sent out earlier today for further information on events being held in our school halls this summer. Thank you!

England Match: I am sure many of us will be watching and hoping on Sunday! I realise that it will be a very late night (celebrating, hopefully!) for lots of children and staff. Despite this, we will be starting at our normal time (other Guisborough schools will be as well), for a number of reasons: last time was under very different circumstances with COVID; some families won't be watching; some parents working that day will be trying to get their children in when their friends are at home, and finally, we talk about the importance of attendance and punctuality each week so it would feel very hypocritical to say it doesn't matter! Please try to be here on time and we can all be tired together!
