Dear Parents/Carers,

We have been speaking to the children this week about their **learning behaviours and how important it is to protect everybody's right to learn without being distracted.** So many of our children respect this and get on with their work without disturbing others; a large number of them also respect this, for the vast majority of the time! So we want to work with you to support the small number of children who unfortunately struggle to respect this. We would really appreciate your continued support in encouraging your child to see the value in trying their very best at school, please. Outside of school, **we would like to see more of them reading each night and practising the appropriate number facts for their age, on a regular basis.** Further information on this to follow. Thank you.

Reminders/Notices: KS2 Easter service — You are invited to join us from 10am! The children will be facing you all, with more space for families to sit and watch. We hope to see you there if you can join us!
Statutory Tests—Please see the dates on the next page for **Y1, Y4 and Y6 test dates.** Please do not book holidays during these weeks if your child is in these year groups. They won't score if they miss them, and it also impacts negatively on our results. This is such a shame when the children and staff always work so hard in the lead up to them.

Easter Egg Decorating Competition:

Theme: Historical Event/Figure;
Entries into school from: Monday 7th April, please;
Prizes: Thursday 10th April;
Prize Categories: One prize per year group and one family prize.

We are very proud to announce this week's **Pupils of the Week.** We are so proud of you all!
